### The Boston Public Market presents the 4<sup>th</sup> Annual Chefs Harvest Dinner

Since 2004, Boston Public Market has hosted a Chefs Harvest Dinner serving over 200 guests annually at many prestigious Boston area restaurants.

Participants from across the region enjoy a special evening out with top chefs preparing an unique multi-course dinner using local, seasonal ingredients.

This annual fundraiser supports our mission to develop a year-round public market to showcase local farm fresh products and specialty foods.

As a participant, you can choose to dine at one of a long list of premier restaurants and come with your friends, family, colleagues, or meet new people and share good food and conversation.

New restaurants come on board each year to broaden the tastes of participants.

*Won't you join us at 6:30 p.m.  
on Tuesday, September 25, 2007?*

Contribution is \$200 per person which includes a multi-course dinner with wine and gratuity. Full tables are also available for purchase.
